NOT FINANCIAL ADVICE: I am not a certified financial advisor, registered investment advisor, or licensed financial professional. The trading signals, analysis, and information shared are for informational and educational purposes only.

Seek Professional Advice:

Before making any investment decisions, you should consult with a qualified financial advisor, accountant, or other professional who can provide advice tailored to your individual circumstances, risk tolerance, and financial goals.

Cryptocurrency & Asset Volatility:

Cryptocurrencies and other traded assets are among the most volatile investments in the world. Prices can experience extreme fluctuations and may decline by 99% or more. You could lose your entire investment. Stock and ETF prices also fluctuate and can result in significant losses.

SEC & CFTC Disclaimers:

- Past performance does not guarantee future results.
- All investments carry risk of loss, including the potential loss of principal.
- Cryptocurrency markets are largely unregulated and may be subject to manipulation.
- Trading cryptocurrencies and other assets involves substantial risk of loss and is not suitable for all investors.
- You should only invest money you can afford to lose.
- No investment strategy can guarantee profits or protect against losses.

Risk Management:

Manage your risk accordingly. Never invest more than you can afford to lose. Use proper position sizing, stop-loss orders, and risk management techniques. Diversify your portfolio and never put all your capital into a single trade or asset.

Security Warnings:

Hold Your Own Keys: Always maintain control of your private keys and seed phrases. Never share them with anyone, including this channel, website, or any service.

Website Permissions: Be extremely careful when granting websites or applications permission to access your cryptocurrency wallets or funds. Only connect to trusted, verified services.

Phishing Scams: Be vigilant against phishing scams. Always verify website URLs, never click suspicious links, and never enter your private keys or seed phrases on any website.

No Liability: This channel, website, and its operators are not responsible for any losses, damages, or security breaches that may occur from using the information displayed here.

No Guarantees:

Trading signals, analysis, and strategies are not guarantees of profit. Market conditions can change rapidly, and past signals or performance do not predict future results. Every trade carries risk, and losses are always possible.

YOU ARE SOLELY RESPONSIBLE FOR ALL TRADING AND INVESTMENT DECISIONS YOU MAKE.
